Old Business:

Christmas Land: We have 22 signs left from last year. Some kind of system will be created and the signs will be numbered according to the locations of the signs. This will help keep track of the signs. Stickers will be made this year to cover up the date so that the signs can be reused.

Tri-fold Map: Ready for print- Cut off was April 1st

New Business:

Southport Signs: everyone who brought templates passed them around for a vote. Majority ruled on the Finger Lakes design "Town of Shops." Nicola will proceed with getting bids but we agree that Finger Lakes should be the producer of these signs as they were the creator. Car magnets were also thrown around as an idea to promote the SBA

Window Clings: Membership lists were handed out to members who were present to disperse 2018 clings for the businesses that have renewed their membership

** Next meeting is May 8th 2018 at 8:00 AM at McClelland Catering.
Meeting adjourned around 9:00 AM
