Savings Balance 11/30/17- \$10,634.91

Paypal account balance – 10/31/17 - \$134.72

Additions-

Expenses-

Paypal account balance 11/30/17 - \$134.72

Old Business:

Southport Signs: January we will either be completing this task or removing it from the ToDo list.

Tri-fold Map: The first draft was passed around and looks great. January we will discuss the deadline for getting your business on the map for the 2018 year.

T-Shirts: T-shirts have been taken off the table. This would be an expense that does not generate much income

New Business:

SBA Christmas Party: The date for the party HAS CHANGED and will be December 13th. It will be a dish to pass as well as bring a gift to be raffled off. The location will be the Southport Fire House. Please consider attending as it is a fun time for all that come together.

Rummage Sales: It was discussed to remove ourselves from the event and let it take its own course. It has become hard to find volunteers to collect money and have found that it is a struggle for the homeowners to pay the minimal fee without complaint. We will no longer provide restrooms.

Other Business:

There were 10 members of the business association that participated in the Christmas Parade/Christmas Land event. Of those 10, one will be drawn at the Christmas party to win the free advertising that Community Broadcaster's offered for doing the live feed at the event.

** Next meeting is January 9th 2018 at 8:00 am at McClelland Catering Room.

Meeting adjourned at 8:35 AM
