Old Business:

Southport Signs: Nicola continuing to talk with Jeremy Hogan. She sent pictures as to ideas for the sign. Waiting on quote. Also reached out to Finger Lakes Signs and Eastern Metal to submit sign ideas. The color scheme idea is to use burgundy with white/black background. By April's meeting we should have 3 ideas to vote on.

Tri-fold Map: April 1st will be the cutoff for the map. JH Designs for us a quote for 1000 pieces, glossy 8.5x11 will be \$329. Also checking with Copy Express and Capabilities.

New Business:

Tom Holleran- The Historical Society has in the past volunteered to take all of the photos from Christmas Land and store them electronically. Lori will touch base with them to see if the offer still stands.

It was also discussed to create a free-standing sign for the Business Association for put at the events we are present at such as Christmas Land and Trunk-or-Treat. It will have our logo on it

A separate meeting will be set up just for planning and organizing Christmas Land. This meeting is TBD>

Other Business:

- Dave Ellis spoke of the upcoming 5th Annual Town of Southport Easter Egg Hunt which is on March, 24th. The event this year will include sensory sensitive activities for people who may be wheelchair bound or blind/deaf. Beeping eggs and magnetic eggs have been provided to include all children.
- We discussed having an article in the Town newsletter promoting the SBA and shopping local. Also mentioned should be our website and FB page.
