Old Business:

Trunk or treat: Only a few vehicles have signed up so far. It was decided that SBA will do a separate one from Karen's. Lori will fill out the paperwork for Dave. The date is October 26th from 12 to 2.

Membership renewals: This process continues, Mac's Tavern renewed for 3 years.

Christmas Land: We will be doing one sign listing all the people and/or businesses that helped setup the displays this year. It will be at the entrance to the display.

Julie has asked that we store all the items she has for the craft day (ornament bulbs, games, cutouts). Karen will arrange to pick the items up and store in her storage unit.

Joan has copied all the coloring pages to be used. Karen will be making a master list of everything we have so we can keep track of what we still need.

Julie informed us that the Watts Brand Park Trust has graciously donated \$200 to us for the craft fair to be used for the cookies, art supplies, etc. but not advertising. Joan will contact Sara from Sweet and Saucy to see what she would charge for the cutouts.

New Business:

Christmas parade: Lori received bids for the remote for the day of the parade. We decided to go with 94 rock/ 99.5 at a cost of \$800. The cost will be covered by SBA member sponsors as \$100 a piece. We will let Cool 96 get their own sponsors for the event.

Meeting adjourned.

Next Meeting Tuesday November 12th at 8 am at Pine City Fire Department.
